

## **NEW Birch Infinite Special Edition launched**

Based on the success of the 2010 "Beech Infinite" Special Edition Drums, SONOR proudly announces the Birch Infinite Special Edition, Made in Germany.

The Birch Infinite drums feature hand-selected premium Birch wood shells combined with the latest SONOR shell hardware components. Three stunning stain semi-gloss finishes are available featuring offset stain Natural color hoops on bass drums, paying tribute to the Vintage era.

Birch produces an enormous versatile sound, punchy, with well balanced sustain and resonance. Due to its sound characteristics, it is often described as THE wood to record with.

### **The drums are available in a 4-piece basic shell pack:**

- *22" x 18" bass drum*
