## **SONOR ANNOUNCES THE ONE OF A KIND SERIES LIMITED SNARE DRUMS**

To honor the 140th anniversary of the company, SONOR produces an exclusive ***One-of-a-kind*** drum-set Made in Germany, limited to only 40 kits worldwide.

These instruments follow the ***One-of-a-kind snare concept***, but take it to a new level.

For these instruments we sourced a rare natural grown burl veneer from our veneer suppliers in Germany - **Vavona Burl (lat. sequoia sempervirens)**.

Vavona Burl is made out of the root of the Mammoth tree and was hardly ever used on drums before. The veneers are deep dark red in color and feature a breathtaking rich Birdseye type grain pattern.

All drums are made of hand selected North American Maple shells, 9 plies / 6 mm thickness.

Each shell features Vavona Burl veneer on the outside and inside as well.

The outside finish is high gloss lacquered to perfection and the inside veneer is satin lacquered.

All ***One-of-a-kind drums*** feature chrome SQ<sup>2</sup> grade fittings, including **TuneSafe™**, **APS** and patented **AcoustiGate**.

Each kit can be custom ordered individually out of the following item roster (minimum order of bass drum plus 3 other drums required):

**Bass drums:** 18"x16"BD NM, 18"x16"BD WM, 20"x16"BD NM, 20"x16"BD WM, 22"x18"BD NM, 22"x18"BD WM, 24"x18"BD NM, 24"x18"BD WM

**Toms:** 8"x7", 10"x8", 12"x9", 13"x10"

**Floor toms:** 14"x14", 16"x16", 18"x16"

**Snare drums:** 12"x5" SDW, 14"x5" SDWD, 14"x6" SDWD and 14"x7" SDWD
